Re: West Plains Casino and Mixed Use Development Project

Ms. Alvarez:

Thank you for contacting our Spokane Tribal Historic Preservation Office is much appreciated.

Pursuant to compliance with Section 106 of the National Historic Preservation Act we are continuing consultation for this project.

We concur with your recommendations of cultural survey of the APE; we believe it is important to assure that the prior work efforts incorporated into the final survey report to provide a definitive understanding of the site with definable boundaries.

This letter is your notification that this project may proceed.

Again thank you for the cultural survey report.

However, if any artifacts or human remains are found upon inadvertent discovery, this office should be notified immediately and the work in the area cease.

Should additional information become available our assessment may be revised.

And consider this a positive action that will assist us in protecting our shared heritage.

Sincerely,

Randy Abrahamson
Tribal Historic Preservation Officer.
